

CALONA VINEYARDS

artist series | *no. 8* | A STORY THAT BEGINS ON THE LABEL AND FINISHES ON YOUR PALATE

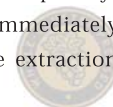

Calona Vineyards *Artist Series* tells a story that begins on the label and finishes on your palate. It's about award-winning wines and wonderful art brought together to reflect each other's brilliance. Each painting is carefully selected for the special way it evokes the unique flavour of the wine. "From The Earth" by Eric Aragon is a rich, ripe, juicy swirl of colour and movement that evokes the very essence of the flavours in our Chardonnay. It's an exhibition of individual taste and a showcase for the wines of Calona Vineyards.

#### CHARDONNAY 2003

Our Chardonnay displays enticing aromas of figs, banana, and melon with subtle nuances of French oak. The soft, rich mouthfeel finishes with crisp acidity and a lingering hint of tangerine.

#### WINEMAKER NOTES

Cool stainless steel fermentation with minimal French oak and lees ageing capture the luscious fruit while adding richness and complexity. Whole cluster pressing immediately after picking prevents the extraction of unwanted qualities.
