

CALONA VINEYARDS

artist series | *no. 10* | A STORY THAT BEGINS ON THE LABEL AND FINISHES ON YOUR PALATE

Calona Vineyards *Artist Series* tells a story that begins on the label and finishes on your palate. It's about award-winning wines and wonderful art brought together to reflect each other's brilliance. Each painting is carefully selected for the special way it evokes the unique flavour of the wine. **Hélène B.-Taliana's "Dream Bird" explodes with colour and beauty as if the soul of our Gewürztraminer itself was bursting from the bottle.** It's an exhibition of individual taste and a showcase for the wines of Calona Vineyards.

GEWÜRZTRAMINER 2004

This crisp, off-dry Gewürztraminer boasts intense aromas of apricot, lychee, and peach. Floral notes and hints of muscat linger on the palate, while flavours of pink grapefruit lead to a refreshing finish.

WINEMAKER NOTES

Whole cluster pressing and extended cool stainless steel fermentation helped to capture the intense fruit of the 2004 vintage. A small amount of residual sugar is maintained in the wine to balance the refreshing acidity, and enhance the complexity of varietal characteristics.
