

CALONA VINEYARDS

artist series | *no.10* | A STORY THAT BEGINS ON THE LABEL AND FINISHES ON YOUR PALATE

Calona Vineyards *Artist Series* tells a story that begins on the label and finishes on your palate. It's about award-winning wines and wonderful art brought together to reflect each other's brilliance. Each painting is carefully selected for the special way that it evokes the unique flavour of the wine. *Hélène B.-Taliana's "Dream Bird" explodes with colour and beauty as if the soul of our Gewürztraminer itself was bursting from the bottle.* It's an exhibition of individual taste and a showcase for the wines of Calona Vineyards.

#### GEWÜRZTRAMINER 2002

This well-balanced Gewürztraminer breathes fragrant aromas of roses and orange blossoms. Bright flavours of citrus soften on the palate with a hint of pineapple.

#### WINEMAKER NOTES

Cool temperature fermentation in stainless steel over several weeks serves to protect the delicate fruit. A small amount of residual sugar is permitted to enhance the fruity acidity.
