Calona Vineyards Artist Series tells a story that begins on the label and finishes on your palate. It's about award-winning wines and wonderful art brought together to reflect each other's brilliance. Each painting is carefully selected for the special way it evokes the unique flavour of the wine. Like our Pinot Blanc, Brittani Faulkes' painting "Contemplating", has a playful and crisp style. It's an exhibition of individual taste and a showcase for the wines of Calona Vineyards.

**PINOT BLANC 2007**

Soft, ripe fruit aromas of melon and sweet apple with a drizzle of honey. This medium-bodied wine has a soft approach and flavours of pear, melon, apricot and sweet apple. A smooth lingering finish of stone fruits with just a touch of acidity to refresh.

**WINEMAKER NOTES**

Immediately after picking, our fruit is gently whole cluster pressed, capturing the fresh and vibrant fruit character of this wine. Each lot is fermented separately to retain the character of the site where the grapes were grown.
