

CALONA·VINEYARDS

artist series | no.20 | A STORY THAT BEGINS ON THE LABEL AND FINISHES ON YOUR PALATE

Calona Vineyards Artist Series tells a story that begins on the label and finishes on your palate. It's about award-winning wines and wonderful art brought together to reflect each other's brilliance. Each painting is carefully selected for the special way it evokes the unique flavour of the wine. **Brittani Faulkes' "There ain't no morning like a west coast morning" explodes with colour and beauty as if the soul of our Gewürztraminer itself was bursting from the bottle.** It's an exhibition of individual taste and a showcase for the wines of Calona Vineyards.

GEWÜRZTRAMINER 2008

Classic Gewürztraminer style with lychee fruit, rose petal, exotic spice and tropical fruit aromas. This is an off-dry, medium-bodied wine with a soft easy mouth-feel and flavours of tropical fruit and juicy pears. Notes similar to the nose linger through on the finish.

WINEMAKER NOTES

Whole cluster pressing and cool stainless steel fermentation helped to capture the intense fruit of the 2008 vintage. A small amount of residual sugar is maintained in the wine to balance the refreshing acidity, and enhance the complexity of varietal characteristics.
