## 2001 LATE HARVEST OPTIMA

This dessert wine expresses fresh and clean aromas of granny smith apples and honey. The apricot and citrus sweetness is wonderfully balanced by the fruit acidity ending with a long, yet fragrant, lushness.

Optima is at its best when allowed to ripen later than usual and then gently whole cluster pressed. Some botrytis occurred which enhanced the late harvest character.

These grapes were grown at the Chris Turton Vineyard in South East Kelowna.
